Multi-State Corridor Operations and Management System Grant

- FHWA \$7 Million to be awarded in second round of funding to support multi-state corridor operations
- Grant submitted on April 5, 2013
- Applied for \$1.27 million in funding with state match identified of \$330,000

Multi-State Corridor Grant

- Three projects proposed:
 - I-80 Operations Platform – allows multiple states to access real-time and operational information to support safer winter traveling experiences
 - Multi-State Road Impact Information to Truckers – distributing key information to truckers along the I-80 corridor that could impact their travel and productivity
 - Expand Coalition and Initiate Joint Summit – building coalition activities/partnering and holding Joint Summits to identify potential collaborative efforts with the I-15 Mobility Alliance

I-15 Mobility Alliance

- Agreement Status
- Synergy with I-15 activities
